

## **Safeguarding and Welfare Requirement: Staff:Child ratios**

Staffing arrangements must meet the needs of all children and ensure their safety

### **5.1 Staffing**

#### **Policy statement**

Layston Preschool and Nursery CIC provides a staffing ratio in line with the Safeguarding and Welfare Requirements of the Early Years Foundation Stage to ensure that children have sufficient individual attention and to guarantee care and education of a high quality. Our staff are appropriately qualified and we carry out checks for enhanced criminal records and barred list checks through the Disclosure and Barring Service in accordance with statutory requirements.

#### **Procedures**

To meet this aim we use the following ratios of adult to children:

- Children aged two years: 1 adult : 4 children:
  - at least one member of staff holds a full and relevant level 3 qualification; and
  - at least half of all other staff hold a full and relevant level 2 qualification.
- Children aged three years and over: 1 adult : 8 children:
  - at least one member of staff holds a full and relevant level 3 qualification; and
  - at least half of all other staff hold a full and relevant level 2 qualification.
- We follow the Early Years Foundation Stage Safeguarding and Welfare Requirements where a Qualified Teacher, Early Years Professional level 6 qualified person is working directly with children aged three and over between the hours of 9 am and 3.15 pm as follows:
  - there is at least one member of staff for every 13 children; and
  - at least one other member of staff holds a full and relevant level 3 qualification.
- The number of children for each key person takes into account the individual needs of the children and the capacity of the individual key person to manage their cohort.
- A minimum of two staff/adults are on duty at any one time; one of whom is either our Leader or Deputy.
- Our Leader deploys our staff and volunteers to give adequate supervision of indoor and outdoor areas, ensuring that children are usually within sight and hearing of staff, and always within sight *or* hearing of staff at all times.
- All staff are deployed according to the needs of the setting and the children attending.
- Our staff and volunteers inform their colleagues if they have to leave their area and tell colleagues where they are going.
- Our staff and volunteers focus their attention on children at all times and do not spend time in social conversation with colleagues while they are working with children.
- We assign each child a key person to help the child become familiar with the setting from the outset and to ensure that each child has a named member of staff with whom to form a relationship. The key person plans with parents for the child's well-being and development in the setting. Home visits are arranged at the beginning of the term for each new child and are attended by the Leader/Deputy and the key person. The key person meets regularly with the family for discussion and consultation on their child's progress and offers support in guiding their development at home.
- We hold regular staff meetings to undertake curriculum planning and to discuss children's progress, their achievements and any difficulties that may arise from time to time.
